Introduction

There has been different Movements that have come to the Church. We have had the Movement of the Word of Faith, Movement of the Charismatic, and the movement of Healing. For the past few years, the wave of the prophetic has been blowing through the Church. At first, many did not understand it, but as I write, the prophetic is gaining acceptance and is sweeping through the Body of Christ.

As the wave moves however, some people are being caught up in it, prophesying and receiving prophecies. But it is sad to note that, many do not even know how the revelation comes. They do not understand the voice of God and the different manifestations of the Spirit.

As one that the LORD has called to function in the prophetic, it is part of my passion to give my own input, as the Church gets waist deep in this move.

In this book and in the series that follow, you would receive strange insights into the prophetic that would help you both flow in it and receive its ministry.

CHAPTER ONE

Understanding Prophetic Language

The language of the prophetic refers to the ways or channels by which the Holy Spirit transmits revelation or information to us. It is the system or method of communication from the spiritual realm to the physical realm.

It is important to note that information is constantly being transmitted from the spiritual realm to the physical. Sadly, many do not catch these signals either because they are not aware or they are aware but do not understand it. Yet, their lack of awareness or understanding, does not stop the constant transmission of information between both realms. It is therefore our responsibility to seek knowledge and revelation in this area.

Today, many believers are blind or deaf to the language of the prophetic. Others wonder why things happen in their lives, and they do not have any foreknowledge or perception. This is possibly because when the information came, they did not see it, hear it or perceive it. Sadly, believers are often the most ignorant when it comes to the realm of the spirit and how it functions.

> ***Who is blind, but my servant? or deaf, as my messenger that I sent? who is blind as he that is perfect, and blind as the LORD'S servant? Seeing many things, but thou observest not; opening the ears, but he heareth not.***
>
> ***Isaiah 42:19–20***

God is constantly speaking to us through different channels, and we need to understand the language of the prophetic, so that we can discern the information. It is His will that we walk in the light and not be in the dark with regards to His purpose for us.

The people of the world may be in darkness or uncertainty but, a believer should never be confused or be in the dark about any area of his life. Living in us, is the all–knowing Spirit, who is always willing to speak to us.

> ***Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he***

> ***shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.***
>
> ***John 16:13***

However, despite His willingness to speak to us, we need to understand the ways he may speak to us. This is not a subject for only pastors and church leaders, but all believers.

> ***My sheep hear my voice, and I know them, and they follow me:***
>
> ***John 10:27***

Did you see that? It is God's desire that we hear His voice because we belong to Him.

Also, it is important to note that we who are saved are alive in the spirit, because our spirits have been quickened or given life by the Holy Spirit who dwells in us.

> ***And you hath he quickened, who were dead in trespasses and sins; Even when we were dead in sins, hath quickened us together with Christ, (by grace ye are saved;***
>
> ***Ephesians 2:1, 5***

Thus, our spirit has the ability to capture information from the spirit realm. It is therefore important that we

understand how this information can be relayed to us.

The Fundamental Medium

The fundamental way you can hear God, is in your spirit. Every believer ought to hear God through their spirit man. Remember, He dwells in you and can communicate information straight to your spirit.

> ***…who hath also sealed us, and given the earnest of the Spirit in our hearts.***
>
> ***2 Corinthians 1:22***

That information has to be transmitted to your mind in a prophetic language that it can understand. These languages include:

a. Dreams and Visions
b. The Word of the Lord
c. Out of Body Experience
d. With Body travel
e. Mouth to mouth with Angels and Saints
f. Mouth to mouth with Jesus
g. Mouth to mouth with God

We will begin with dreams and vision in this first chapter.

Visions and Dreams

One primary way spiritual information is communicated to a believer is through dreams and visions. There are three types of visions:

Inner Vision: This is a kind of vision that happens in your spirit. In this case, you are not seeing the vision outside. Rather, you are seeing it inside or in your heart.

> ***The Spirit itself beareth witness with our spirit, that we are the children of God***
>
> ***Romans 8:16***

Sometimes also, you may see visions in your eyeballs, as though your eyeballs flip and then you see something. Another way is, when you close your eyes, and then you may immediately begin to see a short video; sometimes in black and white, and sometimes in colours, playing most times with your eyes closed, and sometimes with your eyes open. You see it as though

God is constantly speaking to us through different channels and we need to understand the language of the prophetic so that we can discern the information. It is His will that we walk in the light and not be in the dark with regard to His purpose for us.

you are seeing the vision within yourself. This is why it is called an inner vision. Sometimes, when you open your eyes and close them again, the vision continues from where it stops.

For example, I was in our church branch in Accra some time ago. I was sitting amongst the ministers as one of my sons was ministering. While I was listening, I saw an inner vision of someone who walked forward and fell. Then the vision repeated itself again and again. Then I saw that this person developed a disability on his right leg as a result of the continual fall, and the vision ended. I was not sleeping or having a trance when I saw this. It was just an inner vision, much like black and white screen just within my eyes. I gave that word later in that service and a young man came forward and confirmed, that he had fallen several times because he had epilepsy and had damaged his right knee as a result of the continual fall, just exactly as I had seen it. So, I prayed for him and he was healed and delivered.

Open Vision: This kind of vision appears in front of you like you are seeing a movie. In this case, you are not sleeping but are wide–awake. When an open vision multiplies, it is called a panoramic vision. Here, several stages of a thing can appear in front of you and it moves and changes pictures. The scriptures refer to this as multiplied visions.

> ***I have also spoken by the prophets, and I have multiplied visions, and used similitudes, by the ministry of the prophets.***
>
> ***Hosea 12:10***

This is why those who walk in the prophetic can sometimes see into the past, the present and into the future.

Trance: In this kind of vision, your senses are suspended, and you seem to sleep off. This happens within a very short time, and much information is communicated to you within that very short time. It can happen when you are walking, working, etc. You can even be talking and have a trance. While in a trance, you are not aware of your environment as your senses are suspended until the trance is over.

> ***On the morrow, as they went on their journey, and drew nigh onto the city, Peter went up upon the housetop to pray about the sixth hour. And he became very hungry and he would have eaten: but while they made ready, he fell into a trance***
>
> ***Acts 10: 9***

There are also long trances, where people can have a trance for a long period of time. An example is Maria Woodworth–Etter who had a trance for five days at a

time! These kinds of trances are not common.

A dream is quite different from a trance because it happens in a sleep. You initiated the sleep before you saw the dream, unlike in a trance, where your senses are suspended suddenly.

> ***And the angel of God spake unto me in a dream, saying, Jacob: And I said, Here am I.***
>
> ***Genesis 31:11***

> ***And when they were departed, behold, the angel of the Lord appeareth to Joseph in a dream, saying, Arise, and take the young child and his mother, and flee into Egypt, and be thou there until I bring thee word: for Herod will seek the young child to destroy him.***
>
> ***Mathew 2:13***

However, every dream is not a vision because dreams can sometimes come out of multitude of business, i.e., what you may have thought about throughout the day.

> ***For a dream cometh through the multitude of business; and a fool's voice is known by multitude of words.***
>
> ***Ecclesiastes 5:3***

For instance, if you have a negative emotion towards a thing where you have begun to think thoughts of fear or worry, this may affect you in such a way that you would dream about the subject of your worry. Such a dream is only the result of your negative emotions and not a communication from God.

On the other hand, if what you are pondering about does not involve any negative emotion, as in the case where you are praying meditatively on an issue, and inquiring of God in your heart, you may have a dream where you would receive information from the LORD as an answer to your inquiry.

> ***But while he thought on these things, behold, the angel of the Lord appeared unto him in a dream, saying, Joseph, thou son of David, fear not to take unto thee Mary thy wife: for that which is conceived in her is of the Holy Ghost.***
>
> ***Matthew 2:12***

So, not all dreams are for communication. But in a dream, you can have a vision. In other words, in a dream, you can receive spiritual information.

> ***But when he heard that Archelaus did reign in Judaea in the room of his father Herod, he***

> ***was afraid to go thither: notwithstanding, being warned of God in a dream, he turned aside into the parts of Galilee:***
>
> ***Matthew 2:22***

> ***And being warned of God in a dream that they should not return to Herod, they departed into their own country another way.***
>
> ***Matthew 1:20***

Furthermore, in the process of visions and dreams, there can be alterations due to things such as impurity, doubt, fear, disturbance or distraction. Any little interference can affect how the vision is received. More so, I always recommend that you write down a vision immediately you see it because, it can fizzle out and you will lose some part of the information.

Also, visions and dreams are dark speeches. Thus, you have to sometimes meditate prayerfully to understand them.

> ***And he said, Hear now my words: If there be a prophet among you, I the LORD will make myself known unto him in a vision, and will speak unto him in a dream. My servant Moses is not so, who is faithful in all mine house. With him will I speak mouth***

to mouth, even apparently, and not in dark speeches;

Numbers 12:6–8

CHAPTER TWO

The Word Of The Lord

The message we receive in the prophetic, may come through the Word of the LORD. This is a unique kind of vision and dream. However, it cannot be categorized under visions and dreams even though this type can take place in a vision or dream. In the Word of the LORD, you hear a voice talking to you. You hear the voice like a man speaking to you audibly.

> ***'And the Lord appeared again in Shiloh and the Lord revealed himself to Samuel in Shiloh by the word of the Lord'***
>
> ***1 Samuel 3:21***

Often times, the Word of the LORD comes without a vision accompanying it, and that is why I like to call it a hearing vision.

However, it is important to note that the Word of the LORD is unlike any other voice.

> ***There are, it may be, so many kinds of voices in the world, and none of them is without signification.***
>
> ***1 Corinthians 14:10***

There are many voices, but the Word of the LORD is not like them because it is anointed.

> ***And the spirit entered into me when he spake unto me, and set me upon my feet, that I heard him that spake unto me.***
>
> ***Ezekiel 2:2***

We see in the scripture above, how Ezekiel describes his experience when the Word of the LORD came to him. The Word of the LORD came with a spirit that entered into him.

So, it is not every voice that we hear that is the Word of the LORD. This is why the Bible speaks of testing every spirit.

> ***Beloved, believe not every spirit, but try the spirits whether they are of God:***
>
> ***1 John 4:1***

The scripture above shows us that the Word of the LORD is anointed. There is a spirit that goes with it. This is why the Word of the LORD is something that you get accustomed to over time. This is after you have proven it and come to know it because of the anointing it carries.

For example, many years ago, while I was in my first year at the university, I was praying and suddenly, I was in a trance. I heard a voice, and it gave me a prediction, but when I went to the Internet to check this prediction, it was wrong. The date the voice gave me was wrong. Then I knew this was not the voice of God. I believe God was trying to train me to know which voice is His.

> ***Butter and honey shall he eat, that he may know to refuse the evil, and choose the good.***
> ***Isaiah 7:15***

Knowing that the voice could not have been from the LORD, I rejected it, and that voice could not speak to me anymore.

After I knew the difference, the Word of the LORD started coming to me clearly, and since then, I have given several national, international and personal prophecies which have come to pass just as the LORD revealed to me. *(You can watch several of these prophecy confirmations on our YouTube Channel: Isaiah Wealth Ministries).*

When it is the Word of the LORD, you know. You would not be confused whether it is your mind or not. This is because, unlike visions that can often be misinterpreted, the Word of the LORD cannot be misinterpreted. This is because you hear it word for word. It is heard clearly even if it comes in visions and dreams, or when you are awake.

Three Major Prophets were known for revelations through the Word of the LORD; they are Ezekiel, Samuel and Jeremiah. Take a look at how the Bible records their experiences.

> ***The word of the LORD came expressly unto Ezekiel the priest, the son of Buzi, in the land of the Chaldeans by the river Chebar; and the hand of the LORD was there upon him.***
>
> ***Ezekiel 1:3***

> ***And the Lord appeared again in Shiloh and the Lord revealed himself to Samuel in Shiloh by the word of the Lord'***
>
> ***1 Samuel 3:21***

> ***'The word of the Lord came unto me saying'***
>
> ***Jeremiah 1:4***

> ***Moreover the word of the LORD came unto***

me, saying, Jeremiah, what seest thou? And I said, I see a rod of an almond tree.
Jeremiah 1:11

The Word of the LORD Comes Saying

In the scripture above, I want you to take note of how the Word of the LORD comes; it comes saying. It is something that you hear. Thus, we see that the Word of the LORD comes principally as a saying.

One time, I was in the bathroom preparing for a service and just remembered my friends from the United States who were going to be in service that day. Clearly, the Word of the LORD came to me saying, "Let them use clemency". I was shocked, and the voice came again, "Let them use clemency on the little boy". At that time, I did not even know the meaning of clemency and I had to check it in the dictionary as soon as I left the bathroom.

According to the English Dictionary, clemency means being gentle or kind in exercising power. It also means leniency or showing compassion in judging or punishing. So, what the LORD was saying was, for them to use compassion and leniency in dealing with their son, and not to be outright in punishing him.

When they came to see me, I told them what I heard

and they were shocked when they heard it. Then, they confirmed that it was a major problem in their home because their little boy had recently become stubborn. While the mother wanted him to be disciplined so he could change, the father felt differently and wanted them to be patient with him. Thus, the word came at the right time to show them exactly what to do regarding their son.

Before this time, I did not know their son, neither was I aware of any issue with their little boy. We all know that the Bible says not to withhold the rod from a child.

> ***Withhold not correction from the child: for if thou beatest him with the rod, he shall not die. Thou shalt beat him with the rod, and shalt deliver his soul from hell.***
>
> ***Proverbs 23:13–24***

That is *logos*, the written Word of God. But in this case, they needed the Word of the LORD to know the exact course of action. The Word of the LORD therefore, brings the *Rhema* of God about a situation.

The Word of the LORD Bringing a Vision

The Word of the LORD may also come to you introducing a vision. Here, the Word of the LORD comes to you and then leads you into a vision. This is a higher level.

> ***Moreover the word of the LORD came unto me, saying, Jeremiah, what seest thou?***
>
> ***Jeremiah 1:11***

Take note that He asked Jeremiah, "What seest thou?" That means he began to see something after hearing the Word of the LORD.

The Word of the LORD in a Vision

At the beginning of this chapter, I said that though the Word of the LORD cannot be put in the category of dreams and visions, it can come in a vision. This is what we see in Genesis chapter 15.

> ***After these things the word of the LORD came unto Abram in a vision, saying, Fear not, Abram: I am thy shield, and thy exceeding great reward.***
>
> ***Genesis 15:1***

The Word of the LORD Does Not Fail

One principal thing about the Word of the LORD is its consistency. It does not fail!

In 2015, I gave a prophetic word by the Word of the LORD, that as a sign, there would be a confirmation in

the 32nd state of Nigeria, which happens to be Yobe State. It happened the next day, just as I said because it was by the Word of the LORD.

The word of the Lord is a very serious thing that we ought not to down play or joke with. This is because it is a direct word that often comes with immediate judgement when handled wrongly.

There are also other prophecies that had come to me by the Word of the LORD and have also come to pass. You may find these on our YouTube channel @Isaiah Wealth Ministries. I advise that you subscribe to this channel to get other updates

The Word of the LORD and Judgement

The Word of the LORD is a very serious thing that we ought not to downplay or joke with. This is because, it is a direct Word from God that often comes with immediate judgement when handled wrongly. Let me show you this from the scriptures below:

> ***'And a certain man of the sons of the prophets said unto his neighbor in the word of the Lord, smite me I pray thee. And the man refused to smite him. The he said unto him,***

because thou has not obeyed the voice of the Lord, behold, as thou art departed from me a lion shall slay thee. And as soon as he had departed from him, a lion found him and slew him'

1Kings 20:35–36

Did you see that? Just for disobeying the Word of the LORD, the neighbor was eaten by lions. I want you to see another example of this in the scriptures below. Study it carefully.

'And, behold, there came a man of God out of Judah by the word of the Lord unto Bethel: and Jeroboam stood by the altar to burn incense'. And he cried against the altar in the word of the Lord, and said, O altar, altar, thus saith the Lord; Behold, a child shall be born unto the house of David, Josiah by name; and upon thee shall he offer the priests of the high places that burn incense upon thee, and men's bones shall be burnt upon thee. And he gave a sign the same day, saying, This is the sign which the Lord hath spoken; Behold, the altar shall be rent, and the ashes that are upon it shall be poured out. And it came to pass, when king Jeroboam heard the saying of the man of God, which

had cried against the altar in Bethel, that he put forth his hand from the altar, saying, Lay hold on him. And his hand, which he put forth against him, dried up, so that he could not pull it in again to him. The altar also was rent, and the ashes poured out from the altar, according to the sign which the man of God had given by the word of the Lord. And the king answered and said unto the man of God, Intreat now the face of the Lord thy God, and pray for me, that my hand may be restored me again. And the man of God besought the Lord, and the king's hand was restored him again, and became as it was before. And the king said unto the man of God, Come home with me, and refresh thyself, and I will give thee a reward. And the man of God said unto the king, If thou wilt give me half thine house, I will not go in with thee, neither will I eat bread nor drink water in this place: For so was it charged me by the word of the Lord, saying, Eat no bread, nor drink water, nor turn again by the same way that thou camest. So he went another way, and returned not by the way that he came to Bethel. Now there dwelt an old prophet in Bethel; and his sons came and told him all the works that the man of God

had done that day in Bethel: the words which he had spoken unto the king, them they told also to their father. And their father said unto them, What way went he? For his sons had seen what way the man of God went, which came from Judah. And he said unto his sons, Saddle me the ass. So they saddled him the ass: and he rode thereon, And went after the man of God, and found him sitting under an oak: and he said unto him, Art thou the man of God that camest from Judah? And he said, I am. Then he said unto him, Come home with me, and eat bread. And he said, I may not return with thee, nor go in with thee: neither will I eat bread nor drink water with thee in this place: For it was said to me by the word of the Lord, Thou shalt eat no bread nor drink water there, nor turn again to go by the way that thou camest. He said unto him, I am a prophet also as thou art; and an angel spake unto me by the word of the Lord, saying, Bring him back with thee into thine house, that he may eat bread and drink water. But he lied unto him. So he went back with him, and did eat bread in his house, and drank water. And it came to pass, as they sat at the table, that the word of the Lord came unto the prophet that brought

him back: And he cried unto the man of God that came from Judah, saying, Thus saith the Lord, Forasmuch as thou hast disobeyed the mouth of the Lord, and hast not kept the commandment which the Lord thy God commanded thee, But camest back, and hast eaten bread and drunk water in the place, of the which the Lord did say to thee, Eat no bread, and drink no water; thy carcase shall not come unto the sepulchre of thy fathers. And it came to pass, after he had eaten bread, and after he had drunk, that he saddled for him the ass, to wit, for the prophet whom he had brought back'. And when he was gone, a lion met him by the way, and slew him: and his carcase was cast in the way, and the ass stood by it, the lion also stood by the carcass.

1Kings 13:1–23

Though an old prophet deceived him, the prophet sent by God was killed by a lion. He lost his life because he veered from the Word of the LORD that was given to him. This shows us the severity or seriousness when it comes to the Word of the LORD. It is therefore a prophetic language that must be received with utmost seriousness and total compliance.

CHAPTER THREE

Out Of Body Experience

A prophetic revelation can also come into manifestation through an out of body experience. This happens when you are carried away in the spirit, leaving your body. In out of body experience, God takes you to places with just your spirit, and your body is not taken along. This is also known as translocation. John and Ezekiel walked in this level.

> ***The hand of the Lord was upon me and carried me out in the spirit of the Lord and set me down in the midst of the valley***
>
> ***Ezekiel 37:1***

> ***And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will***

> ***shew unto thee the judgment of the great whore that sitteth upon many waters: With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication. So he carried me away in the spirit into the wilderness…***
>
> ***Revelation 17:1–3***

Sadly, many Christians do not understand this level and they tend to think it is demonic, so they either despise it or dread it. However, this should be part of the spiritual experience of every believer.

An Operation of the Spirit

I want you to notice in the scripture above that it says, "he carried me away"

> ***So <u>he carried me away</u> in the spirit into the wilderness…***
>
> ***Revelation 17:3b***

Who is 'he'? The Holy Ghost!

John was carried away in the spirit by the Holy Ghost. The scripture did not say that he carried himself. This is therefore an operation of the Spirit and not a product of

man's decision or will.

In other words, you cannot just decide that you want to be translocated and then do it. That is witchcraft and spiritual manipulation, and this is how many occult people who do soul travel function.

Out of body travel for the believer is purely an operation of the Spirit. This does not mean that you cannot desire this level. You can and you should, but it is purely according to the will of the Spirit.

Out of body travel for the believer is purely an operation of the Spirit. This does not mean that you cannot desire this level. You can and you should, but it is purely according to the will of the Spirit.

Carried to See, Hear and Do

Furthermore, when you are carried away, the purpose is so you can see, hear or carry out an assignment for God. We see a combination of all this in Ezekiel Chapter 37.

> ***The hand of the LORD was upon me, and carried me out in the spirit of the LORD, and set me down in the midst of the valley which was full of bones, And caused me to pass by them round about: and, behold, there were very many in the open valley; and,***

> ***lo, they were very dry. And he said unto me, Son of man, can these bones live? And I answered, O Lord GOD, thou knowest.***
>
> ***Ezekiel 37:1–3***

> ***Thus saith the Lord GOD unto these bones; Behold, I will cause breath to enter into you, and ye shall live: And I will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you, and ye shall live; and ye shall know that I am the LORD. So I prophesied as I was commanded: and as I prophesied, there was a noise, and behold a shaking, and the bones came together, bone to his bone.***
>
> ***Ezekiel 37:5–7***

Out of Body Travel to Azusa Street

I have also had such experiences severally. One time, I saw myself being lifted from my body and through the roof, and I was taken 100 years back in time to Azusa Street and had some encounters there.

At other times, God has taken me in the spirit to witness discussions between some persons in the privacy of their homes. Later, when I tell them what they discussed in their privacy, they are shocked. They thought they were

alone when they were having the discussion, but I was with them in the spirit. This is what happened between Prophet Elisha and his servant Gehazi.

> ***And when he went in to his master, Elisha asked him, where have you been, Gehazi? I haven't been anywhere he replied. But Elisha asked him, don't you realize that I was there in the spirit when Naaman stepped down from his chariot to meet you? Is this the time to receive money and clothing?***
>
> ***1 Kings 5:25–26 (NLT)***

Gehazi thought he was alone but his prophet was with him in the spirit and thus, saw his deception and greed. It was this same prophet Elisha who was revealing the secrets of the King of Syria to the King of Israel.

> ***Then the king of Syria warred against Israel, and took counsel with his servants, saying, In such and such a place shall be my camp. And the man of God sent unto the king of Israel, saying, Beware that thou pass not such a place; for thither the Syrians are come down. And the king of Israel sent to the place which the man of God told him and warned him of, and saved himself there, not once nor twice. Therefore the heart of the king of***

> ***Syria was sore troubled for this thing; and he called his servants, and said unto them, Will ye not shew me which of us is for the king of Israel? And one of his servants said, None, my Lord, O king: but Elisha, the prophet that is in Israel, telleth the king of Israel the words that thou speakest in thy bedchamber.***
>
> ***2 Kings 6:12***

Did you see that? The prophet told the King of Israel what the King of Syria was planning in his bedchamber. Most likely, He saw this through out of body travel, by the Spirit.

CHAPTER FOUR

With Body Travel

A believer may also receive a prophetic revelation with body travel. This is body, spirit and soul travel. In this case, a person is transported by the Holy Spirit–body, soul and spirit to another location. This is often referred to as **Transrelocation.**

This is what we see happen to Enoch.

> ***And Enoch walked with God: and he was not; for God took him.***
>
> ***Genesis 5:24***

> ***By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that***

he pleased God.

Hebrews 11:5

Take note that translation is a form of transrelocation, where relocation involves moving from one realm into another.

A believer may receive a prophetic revelation through with body travel. This is body, spirit and soul travel where he is transported by the Holy Spirit, body, soul and spirit to another location. This is often referred to as transrelocation.

Also, the Bible records the experience of Philip in Acts Chapter 8.

And when they were come up out of the water, the Spirit of the Lord caught away Philip, that the eunuch saw him no more: and he went on his way rejoicing. But Philip was found at Azotus: and passing through he preached in all the cities, till he came to Caesarea.

Acts 8:39–40

Right after he baptized the Ethiopian Eunuch, Philip was taken in the spirit–body, soul and spirit, so that the Eunuch did not see him anymore. He did not just travel in the spirit. His body went along too. Some writers and bible

scholars have tried to explain this to mean that, Phillip was led in a direction and that the Eunuch did not know where, so he could not locate Philip after that time. But it is clear from scriptures that Philip literarily disappeared. See what other translations say about this:

> ***When they came out of the water, the spirit of the Lord snatched Philip away…***
> ***Acts 8:39–40 (NLT)***

> ***And when they came out of the water, the spirit of the Lord carried Philip away…***
> ***Acts 8:39–40 (ESV)***

Thus, it is clear that what Philip experienced was with body travel.

Just like Enoch could not be seen, and the same was said of Philip, we see that a person who experiences with body travel, can no longer be seen where he was. This is unlike the out of body experience where the person is physically present, yet has been taken in the spirit to see and interact with another location.

It is a shame that many believers condemn such so evidently put forth in scriptures. They condemn this working of the Spirit because, they do not know the Bible or even take time to study it for themselves. Sadly, many pastors and

prophets cannot explain these mysteries because they do not have experiences of these things.

In the spirit on Assignment

Sometimes, God needs you somewhere else urgently to carry out a work for him and thus, He will bypass time and space just to get you there. If you notice, after Philip disappeared, he was found at Azotus, preaching in all the cities.

> ***But Philip was found at Azotus: and passing through he preached in all the cities, till he came to Caesarea.***
>
> ***Acts 8:40***

I have also had with body travel experiences. One time, I was taken in the spirit to an unknown location where I began to preach to some people who I found there. When I was done preaching, I began to wonder how I would get back to where I came from. This consciousness of how I would get back began to dawn on me because my soul went along with me. This is not the case in out of body experience where only your spirit is involved.

You too can begin to have these kinds of experiences in the spirit, if only you would believe and be open to it. You can never experience a realm you do not believe in.

CHAPTER FIVE

Mouth To Mouth With Angels And Saints

You can also receive spiritual information directly from angels and saints. This is what I call mouth–to–mouth experience with angels and heavenly saints. This means angels and saints can talk to you face to face.

These mouth–to–mouth encounters may include just audio communication, where one would hear the voice of the visitor and see no facial appearance. At other times, one may have an audio–visual visitation, where he hears and also sees the facial expressions of the visitor. This is called face–to–face visitation.

Thus, a face–to–face visitation is a deeper revelation of a mouth–to–mouth encounter, because the facial expressions

give more details to the information being passed across.

We can see a clear example of an audio mouth–to–mouth visitation in the encounter that Apostle Paul had in Acts Chapter 8.

> ***But after long abstinence Paul stood forth in the midst of them, and said, Sirs, ye should have hearkened unto me, and not have loosed from Crete, and to have gained this harm and loss. And now I exhort you to be of good cheer: for there shall be no loss of any man's life among you, but of the ship. For there stood by me this night the angel of God, whose I am, and whom I serve, Saying, Fear not, Paul; thou must be brought before Caesar: and, lo, God hath given thee all them that sail with thee. Wherefore, sirs, be of good cheer: for I believe God, that it shall be even as it was told me.***
>
> ***Acts 27:21–25***

An angel had spoken to Paul about what would happen and he was able to strengthen the people in the shipwreck with him.

Audio–Visual Angelic Visitation

I want you to also notice that the angel stood before Paul and spoke. This visitation was both visual and audible. We see another instance in Luke Chapter 1, where Zacharias received a visitation from the angel of the LORD about the birth of John the Baptist.

> ***And there appeared unto him an angel of the Lord standing on the right side of the altar of incense. And when Zacharias saw him, he was troubled, and fear fell upon him. But the angel said unto him, Fear not, Zacharias: for thy prayer is heard; and thy wife Elisabeth shall bear thee a son, and thou shalt call his name John. And thou shalt have joy and gladness; and many shall rejoice at his birth.***
>
> ***Luke 1:11–14***

This is not a dream or vision. The angel appeared to him and spoke to him. This is another example of a visual and audible angelic visitation. We see this same kind of angelic visitation, when the angel visited Mary the mother of Jesus, before his birth.

> ***And the angel came in unto her, and said, Hail, thou that art highly favoured, the Lord is with thee: blessed art thou among***

> ***women. And when she saw him, she was troubled at his saying, and cast in her mind what manner of salutation this should be. And the angel said unto her, Fear not, Mary: for thou hast found favour with God. And, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name JESUS.***
>
> ***Luke 1:28–31***

Like Paul and Zacharias, Mary's visitation was also a visual and audible angelic visitation.

Audible Visitation

In Acts Chapter 8, we see Philip getting direction by the words of an angel.

> ***And the angel of the Lord spake unto Philip, saying, Arise, and go toward the south unto the way that goeth down from Jerusalem unto Gaza, which is desert.***
>
> ***Acts 8:26***

You will notice that in Philip's case, the angel only spoke to him and there is no indication that he saw the angel. Thus, his' was just an audible angelic visitation.

Mouth to Mouth with Moses and Elijah

Furthermore, Saints of old can come to speak with you, mouth to mouth. Jesus experienced this at the Mount of Transfiguration.

> ***And was transfigured before them: and his face did shine as the sun, and his raiment was white as the light. And, behold, there appeared unto them Moses and Elias talking with him.***
>
> ***Matthew 17:2–3***

This is another realm that God wants you to function in, but you have to build your spirit man. Otherwise, you may get into trouble because demons may want to take advantage of this to deceive and confuse you.

Build Your Spirit Man

I have met people who said Jesus spoke to them to carry out an assignment, but upon further scriptural examination, I found that they did not hear Jesus. They heard a demon. You have to be built in the Word and mature to be able to rightly discern this prophetic language.

However, it is important that you do not to fear because God is concerned about your safety and wellbeing. He has

made provision for you not to be deceived or confused in any way. As long as you have faith in Him and get guidance from His Word, He would always lead you into the truth.

> ***If a son shall ask bread of any of you that is a father, will he give him a stone? or if he ask a fish, will he for a fish give him a serpent? Or if he shall ask an egg, will he offer him a scorpion? If ye then, being evil, know how to give good gifts unto your children: how much more shall your heavenly Father give the Holy Spirit to them that ask him?***
>
> ***Luke 11:11–13***

CHAPTER SIX

Mouth To Mouth With Jesus

This refers to when the LORD Jesus Himself speaks to you face to face. This is a much higher level compared to the other prophetic languages we had discussed earlier. This is not just a dream or vision. It is the LORD Himself speaking. This also can be either audio or audio–visual (face to face). In other words, Jesus may just speak without manifesting physically or He may do both.

Audible Visitation

The Apostle Paul enjoyed this prophetic language. He had several mouth–to–mouth experiences with Jesus, one of which we see in Acts Chapter 9.

> ***And as he journeyed, he came near Damascus: and suddenly there shined round about him***

> ***a light from heaven: And he fell to the earth, and heard a voice saying unto him, Saul, Saul, why persecutest thou me? And he said, Who art thou, Lord? And the Lord said, I am Jesus whom thou persecutest: it is hard for thee to kick against the pricks. And he trembling and astonished said, Lord, what wilt thou have me to do? And the Lord said unto him, Arise, and go into the city, and it shall be told thee what thou must do. And the men which journeyed with him stood speechless, hearing a voice, but seeing no man.***
>
> ***Acts 9:3–7***

In this case, he heard the voice of Jesus but saw no one. This encounter ultimately led to his conversion and the apostolic commission which Paul himself testifies of in Acts Chapter 26.

> ***And when we were all fallen to the earth, I heard a voice speaking unto me, and saying in the Hebrew tongue, Saul, Saul, why persecutest thou me? it is hard for thee to kick against the pricks. And I said, Who art thou, Lord? And he said, I am Jesus whom thou persecutest. But rise, and stand upon thy feet: for I have appeared unto thee for***

> ***this purpose, to make thee a minister and a witness both of these things which thou hast seen, and of those things in the which I will appear unto thee; Delivering thee from the people, and from the Gentiles, unto whom now I send thee, To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me.***
>
> ***Acts 26:14–17***

Audio–Visual Visitation

Again, in Acts Chapter 3, the Apostle Paul receives another mouth–to–mouth experience with Jesus.

> ***And the night following the Lord stood by him, and said, Be of good cheer, Paul: for as thou hast testified of me in Jerusalem, so must thou bear witness also at Rome.***
>
> ***Acts 23:11***

I want you to notice the phrase, 'the LORD stood by him' which is indicative that in this instance, Jesus appeared to him and then spoke. This was not just an audible visitation but also a visual one.

It is important to note that this kind of visitation usually occurs for conversions, and apostolic commissioning like we see in the case of Paul in Acts Chapter 26 above, and to deliver a very important message, revelation or warning to a believer or the body of Christ.

I have been privileged to have Jesus speak to me mouth–to–mouth many times, and those experiences have shaped my life and ministry.

CHAPTER SEVEN

Mouth To Mouth With God

This is audience with Jehovah and therefore it is the highest level of communication. Abraham functioned in this dimension. He has several mouth–to–mouth experiences with God.

> ***And when Abram was ninety years old and nine, the LORD appeared to Abram, and said unto him, I am the Almighty God; walk before me, and be thou perfect. And I will make my covenant between me and thee, and will multiply thee exceedingly. And Abram fell on his face: and God talked with him, saying,***
>
> ***Genesis 17:1–3***

The scripture above shows us that God Himself appeared

to Abraham and spoke to Him. This was not an angel, neither was it a dream or vision. This was God Himself appearing to Abraham physically.

We see again in Chapter 18, that God appeared to him in the form of a man with two angels.

> ***And <u>the LORD appeared unto him</u> in the plains of Mamre: and he sat in the tent door in the heat of the day; And he lift up his eyes and looked, and, lo, three men stood by him: and when he saw them, he ran to meet them from the tent door, and bowed himself toward the ground, And said, My Lord, if now I have found favour in thy sight, pass not away, I pray thee, from thy servant:***
>
> ***Genesis 18:1–2***

The Lord Appeared to Him

You will notice the same word construction that we see in Genesis Chapter 17. It says that the LORD appeared to him (Abraham). Also, it was the same way God appeared to him in Genesis Chapter 11 that He did in Genesis Chapter 18. He appeared and Abraham saw him. During this visitation, we later see Abraham negotiating with God face to face for the salvation of Sodom and Gomorrah.

And the men turned their faces from thence, and went toward Sodom: but Abraham stood yet before the LORD. And Abraham drew near, and said, Wilt thou also destroy the righteous with the wicked? Peradventure there be fifty righteous within the city: wilt thou also destroy and not spare the place for the fifty righteous that are therein? That be far from thee to do after this manner, to slay the righteous with the wicked: and that the righteous should be as the wicked, that be far from thee: Shall not the Judge of all the earth do right? And the LORD said, If I find in Sodom fifty righteous within the city, then I will spare all the place for their sakes. And Abraham answered and said, Behold now, I have taken upon me to speak unto the Lord, which am but dust and ashes: Peradventure there shall lack five of the fifty righteous: wilt thou destroy all the city for lack of five? And he said, If I find there forty and five, I will not destroy it. And he spake unto him yet again, and said, Peradventure there shall be forty found there. And he said, I will not do it for forty's sake. And he said unto him, Oh let not the Lord be angry, and I will speak: Peradventure there shall thirty be found there. And he said, I will not do it, if I

> ***find thirty there. And he said, Behold now, I have taken upon me to speak unto the Lord: Peradventure there shall be twenty found there. And he said, I will not destroy it for twenty's sake. And he said, Oh let not the Lord be angry, and I will speak yet but this once: Peradventure ten shall be found there. And he said, I will not destroy it for ten's sake. And the LORD went his way, as soon as he had left communing with Abraham: and Abraham returned unto his place.***
>
> ***Genesis 18:22–33***

The Highest Level of Communication

The mouth–to–mouth encounter with God is the highest level of communication that only a few enjoy, where one can speak to God mouth–to–mouth. Moses was another man who had this experience with God.

> ***And he said, Hear now my words: If there be a prophet among you, I the LORD will make myself known unto him in a vision, and will speak unto him in a dream. My servant Moses is not so, who is faithful in all mine house. With him will I speak mouth to mouth, even apparently, and not in dark speeches; and the similitude of the LORD***

shall he behold: wherefore then were ye not afraid to speak against my servant Moses?
Numbers 12:6–8

Did you see that? God would usually speak to prophets in visions and dreams but to Moses he spoke mouth–to–mouth.

This connotes a high level of intimacy and friendship with God. Furthermore, this level requires a high level of consecration to God. It also requires a higher level of training to be able to walk in this level. God would have to train you so you may function effectively in this level.

Before God communicates, you must soak His presence. His presence is His own medium, and it takes time in His presence to get to that level of preparedness for Him to be able to reveal Himself to you.

Waiting on God

To meet with Moses, God told him to come up to the mount and be there.

And the LORD said unto Moses, Come up to me into the mount, and be there: and I will give thee tables of stone, and a law, and

> ***commandments which I have written; that thou mayest teach them.***
>
> ***Exodus 24:12***

When he got up, he was there for six days without hearing a thing from God. This shows the place of preparation and waiting on God. In this level, you must be ready to wait on God, as He would use everything to train you. To enjoy this experience with God, you must also be willing to stay in His presence and fellowship with Him. This involves learning to wait on Him and prepare one's heart in consecration.

Before God communicates, you must soak His presence. His presence is His own medium, and it takes time to get to that level of preparedness in His presence, for Him to reveal Himself to you.

> ***I will stand upon my watch, and set me upon the tower, and will watch to see what he will say unto me, and what I shall answer when I am reproved.***
>
> ***Habakkuk 2:1***

Therefore, hearing from God requires waiting on Him.
